# Avaya One Cable Connect Hub

The Avaya One Cable Connect Hub is a core component of the Avaya Huddle Room kit for laptops. A single USB cable is all you need to connect the camera, the audio device and the room's screen to the collaboration app on your laptop. The Avaya OCC Hub brings everything together into one convenient kit. It allows transforming any office to a small videoconferencing room, just by using Avaya Meetings Conferencing, and connecting with a single cable an Avaya Huddle Camera HC020/HC050 and an audio-conferencing speakerphone, such as the Avaya Conference Phone B109 in any kind of meeting room. It also allows plugging in the hub/docking station the room's screen.

Note: this kit could be also used with other third party video software client application.

Avaya One Cable Connect Hub to implement the Huddle Kit for Laptop (with Avaya Meetings Conferencing).

- 2x USB inputs, 1x USB output (to laptop)

- 1x HDMI output to display
